In 2015, I graduated from Junior high school and started a life of a senior high school student. On the first day of the orientation, I was informed that I belonged to the class X IPS 2. Right, what should I do next? I thought. I should make friends. The thing that I could not do pretty well all this time.

In the class, I saw so many people, but hardly had I known. I was about to give up. Whoever had not had 'seatmate', would be my seatmate eventually. However, there was somebody who gave me a nudge. I turned back to where the person stood, beside me.

"Hi, what's your name?" asked her.

I forced a smile on my face and said my name. "What's your name?" I asked her back.

"Della. Have you got a seatmate?"

There you go! Deep down I was so excited.

"No, I haven't. Do you want to be my seatmate?" I pleaded.

"Yeah, why not!" said her brightly.

Since then, she and I become friends. I was really grateful to have her as my friend. Her personality is the complete apposite of mine, but that's why, I guess, we can complete each other. I don't know who would be my seatmate if she did not approach a shy girl like me in the first place.

Jack Chan was standing as usual in the crowded bus that morning when all of a sudden he saw her. Her, the girl of his dream. His life was never to be the same after that moment.

Every day, he guessed the exact time and calculated the chance to be in the same bus with that girl. Apparently, the girl went to the school near his. However, he never saw her after school.

At the school break, he often talked about her to his best friend. And he kept talking about her again when they were doing their extracurricular activities. His best friend thought that he was about to explode listening to the same story all the time. In the

end, he bursted out in frustration, "Why didn't you just tell her? You know what? If you keep doing this, looking her from a distance, you'll end up like a stalker!"

The words from his best friend struck him like a lightning. So, he decided to tell her about his feelings whenever he met her. After the activities came to an end, then they took a bus. Slowly, the bus came near the girl's school. The bus stopped where the girl usually took off.

Jack Chan was so surprised to see the girl hopped on the bus he was in right now! He gave his friend a nudge. "That's.. that's the girl I always talked about."

"What? Really? Then, it's your chance, Jack!"

But Jack was still doubtful, whether to confess or not. A lot of thoughts run circle in his head. Finally, the girl was about to take off. Jack didn't want to lose the opportunity. He gathered his courage, walked towards the bus door, and got off too! He then run towards her and called her.

"Hey there, wait!"

The girl turned back, looking at him strangely.

"Sorry. I just want to say this. I always see you every morning on the bus. And I like you." The girl was going to say something, but Jack cut it off.

"No, it's okay. I won't ask anything from you. I just want to say this to you. That's all. You can walk home now. Goodbye."

The girl was loss for words gazing at his back as he was going to take another bus.
